

10 REASONS TO MOVE TO CHELFORD SAP SOLUTIONS

1. COMMITTED

Chelford SAP Solutions Ltd is an SAP Valued Added reseller. As such our business is to provide SAP software, implementation and support services to mid size companies in the UK. We are not anything else. Our success is dependent on offering this full single source service to SAP clients and without it we would not have a business.

2. ESTABLISHED

Chelford have operated as a SAP VAR since 1996 and as such were one of the 1st partners in the UK. We must be good at what we do.

3. SUCCESSFUL

Chelford's SAP operation has grown over the last 5 years at more than 20% per annum. Chelford have been SAP's most successful UK VAR over 10 years and this success is founded on successful projects and happy customers. Nothing else.

4. FINANCIALLY STRONG

Chelford are owned by itelligence, one of the leading international full-service providers of SAP solutions. In 2009, itelligence generated total sales of EUR 220 million. You don't have to worry about our financial security.

5. REFERENCEABLE

Chelford has customers stretching back over 12 years now and over 60 currently on maintenance and support contracts and they are all happy and prepared to provide us with references. Not many other SAP partners can say that.

6. EFFECTIVE WITH SAP UK

As SAP's top UK VAR for over 10 years and the UK's sole representative on the Partner European Committee, we can effectively represent you inside SAP better than any other VAR.

7. BREADTH & DEPTH OF CONSULTING SKILLS

Chelford doesn't really have a high profile brand name. As such our success is built on the quality of our implementation and support consultants. Chelford has a team of over 60 consultants covering all the main SAP disciplines

8. FULL RANGE OF SUPPORT SERVICES

We provide the full range of SAP skills and services that you may need. SAP maintenance, Application support across the full range of SAP modules, SAP development resources covering all the main technologies such as ABAP, Java, SAP Script & BW, SAP Education services, SAP Managed Services – the proactive administration on the SAP landscape from experienced Basis consultants, Upgrade services, New module implementations, etc.. We can provide all the SAP services you will ever need.

9. VALUE

Near shore support and consultancy, meaning quality UK based consulting from people that speak your language, literally. Consultants charged at midmarket day rates have implemented many times in companies like yours.

10. COVERAGE

With office across the UK and a wide geographic coverage of consultants a Chelford location or one of our consultants is never far away.
